The Shaanxi Provincial Clinical Medicine Demonstration International Science and Technology Cooperation Base was established in 2020. It is an organization approved by the Shaanxi Provincial Department of Science and Technology to promote international cooperation and exchanges in clinical medicine and guide the province to carry out international cooperation and exchanges in clinical medicine. The cooperation base is set up in Shaanxi Provincial People's Hospital. Actively expand foreign medical resources, and provide a lasting communication channel for domestic medical and health institutions and public health service units to learn international advanced management experience and strengthen the training of talent teams.
International Journal of Pediatrics

2021
PREFACE

Children is the future of the world and hope, but there are a lot of threats and challenges of the infection and no infection disease to children living, especially in the current outbreak of COVID - 19 epidemic pandemic in the world we urgent need to improve the level of the diagnosis and treatment and technology, adapt to and meet the growing exchange of learning medical staff status and needs, better for children’s growth and developing. To create a safe and healthy growth environment for children, and to provide a platform for medical staff to learn, strengthen medical academic exchanges and publish academic articles / papers, Prof G, President of Georgia Pediatric Cardiology Society and Professor Fuyong Jiao of Children’s Hospital of Shaanxi Provincial People’s Hospital (the Third Affiliated Hospital of Xi’an Jiaotong University) have discussed for more times. It was decided to register an international journal of paediatrics in Georgia, which is open and peer review. We hope that With your great support and kind help, we hope to provide all colleagues a high quality international journal of paediatrics
